Re: EZ Street Permanent Cold Asphalt

Dear Mr. Prior,

The City of Waynesboro has been using EZ Street in lieu of regular cold mix asphalt for over a year now. We are very pleased with its results and have recommended it to neighboring city and county highway departments.

The durability of the product is great. We now rarely have any repatching unlike the other cold mix that would erode out after a while. EZ Street stays where it is put.

Thanks from a convert.

Sincerely,

Victor Lay
City Manager
